

Experience, Knowledge, Responsibility

You have the opportunity to participate in...

- Inspection Regulation
- Guidon, flight, and squadron drill
- Teambuilding exercises
- Project X
- Communication
- Memorandum Preparation
- How to plan classes
- Leadership personalities

By the time you leave, you will have learned the most effective methods of drilling, as well as the information necessary to being a productive NCO.

Also included in your admission price are the resources you will leave with: including a student manual and picture CD to document your achievement throughout the weekend.

Equipment List

- Complete BDU
- Grey Sweat Pants, T-Shirt or Long Sleeved Shirt, and Athletic Shoes
- Sleeping Bag/Pillow
- Under Garments/Personal items
- Black Socks
- Towel/Shower Clogs

NonCommissioned Officer School 2005

Fox Cities Composite Squadron
Civil Air Patrol
United States Air Force Auxiliary

July 8 - July 10
EAA Facility

www.ncos.4t.com

Follow your oath... Fulfill your duty...

NCOS is the first opportunity for Noncommissioned Officers within the Wisconsin Wing CAP to take advantage of Cadet Officers and Senior Members who provide time, effort, and dedication to advance NCO competencies.

YOUR OATH:

"...advance my education and training rapidly to prepare myself to be of service..."

abilities, and responsibility in your unit.

Through a combination of challenging courses, and hands on demonstrations, cadets attending will gain proficiency in all aspects relevant to the roles of an NCO in the cadet program. Years of training and knowledge are divulged in the weekend-long activity that gives you a chance to work with other NCOs from the Wing.

You have the opportunity as a NCO to participate in a new experience, to follow your oath, and to fulfill your duty.

The purpose of the school is to teach cadet NCOs the skills and knowledge needed to lead and maximize your professionalism,

YOUR Duty:

"...I am a non-commissioned officer, a leader of people. I will strive to remain tactically and technically proficient..."

NCOS
